

REVISED 9/2020

X-JWC (JUNIOR WOMEN'S CLUB)

X-JWC is a branch of GFWC, (General Federation Women's club). GFWC is International, National, State and local clubs with a common interest to support our community in various ways. X-JWC members formed their club in Cheyenne, Wyoming in 1940.

X-JWC club members are always looking for women who have a desire to volunteer in supporting their community, improve their social life by making new friends and an opportunity to learn new things.

The club meets the first Tuesday of each month, September through May for a luncheon meeting. Lunch is served at 11:30 and the meeting usually adjourns by 2:00PM. You will be called the week before the meeting to see if you are attending the meeting so we can get a lunch count. If you make a reservation for the luncheon and are unable to attend you must contact the caller no later than the Sunday prior to the meeting. If for some reason, you cannot cancel timely, you may be billed for the luncheon. Business casual is the appropriate dress for meeting.

- Board meetings are held the last Tuesday of each month. Members are encouraged to attend several meetings throughout the year to learn about club and how decisions are made.
- The club Annual dues are \$38. **If a new member joins during January or February the dues are \$19 for the rest of the year. The next annual dues of \$38 must be paid no later than May 31.**

Under the National guidelines each member must participate in one or more of the five service committee programs and participate in the fundraisers to support the two Community Improvement Project selected by the members.

The five Community Service Programs are:

Arts and Culture, supporting art and cultural programs in the club and community.

Environment, preserving the world's resources and caring for and enjoying our environment.

Education and Libraries, addressing school and academic issues, providing scholarships along with lifetime learning.

Health and Wellness, improving our wellbeing, nutrition and addressing disease and emotional care.

Civic Engagement and Outreach, create a better quality of life and foster a sense of community through the world.

The club also has club member activities to provide for an opportunity to socialize and interact with others.

If you choose to participate, currently there is: Monthly Bunco (fun dice game), Crafts, and Literary (book club).

We encourage you to:

- Attend at least two board meetings to get a better understanding of club operations.
- Recruit new members. You must be a member for one year before you can sponsor a new member however, tell your friends, co-workers and relatives and someone in the club can sponsor them for you.
- Attend orientation provided for new members when offered.

This is a lot of information and may even seem somewhat overwhelming, but in reality it is an easy and fun club to belong to and the club does so many worthwhile and fun things. PLEASE JOIN US BY COMPLETING THE ATTACHED APPLICATION. If you have questions call Joanne Basset at 632-9022. We look forward to having you join us in our goal of good fellowship and serving our community.
